Dear Ms. Frobos:

On October 23, 2006, I wrote to you with copy to Mr. Landis' counsel requesting that you temporarily stop the American Arbitration Association ("AAA") process for finalizing the AAA/North American Court of Arbitration for Sport ("NCAS") panel in the above-referenced case since the parties were attempting to have a single, final hearing before the full body of the Court of Arbitration for Sport ("CAS").

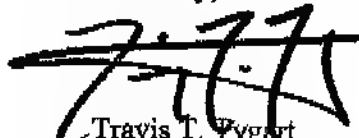

I am writing to inform you that this case will proceed before an AAA/NCAS arbitration panel as set forth in the USADA Protocol for Olympic Movement Testing, and as requested by Mr. Landis. We will not be presenting the case as a single, final matter before the full body of CAS at this time.

Given this, please continue with the AAA process to finalize the AAA/NCAS arbitration panel so that we may schedule the preliminary conference call with the arbitrators as expeditiously as possible.

We apologize for any inconvenience this may have caused you and/or the AAA.

Feel free to contact the parties if you have any questions or concerns about this matter.

Sincerely,

Travis T. Pygart
General Counsel
